CHORUS:

O let faith arise
All we need is You, all we need is you
Your word leads to life
All we need is You, all we need is you

Verse 1:

As in a dry and weary land, I thirst for You
In the valley of the shadow, I cling to You
You said we wouldn't live on bread alone
But on every living word You've ever spoke

CHORUS:

O let faith arise
All we need is You, all we need is you
Your word leads to life
All we need is You, all we need is you

VERSE 2:

Like a watchman for the morning, I wait for You
To behold Your power and glory, I look to You
You said we wouldn't live on bread alone
But on every living word You've ever spoke

CHORUS:

O let faith arise
All we need is You, all we need is you
Your word leads to life
All we need is You, all we need is you

CHORUS 2:

O let faith arise
All we need is You, all we need is you
Spirit open up our eyes
All we need is You, all we need is you

BRIDGE:

Like a lamp unto my path
Let Your word be my light
Like a shepherd to his sheep
Every hour be my guide

CHORUS:

O let faith arise
All we need is You, all we need is you
Your word leads to life
All we need is You, all we need is you

CHORUS 2:

O let faith arise
All we need is You, all we need is you
Spirit open up our eyes
All we need is You, all we need is you
