TURN:

A E B x2

VERSE 1:

A E B
To encounter You and let go of the things
A
That I thought I knew
E B
To understand your heart
A E B
To encounter you, the one and only thing
A
That I want to do
C#m B
Come show me who you are

CHORUS:

E F#m C#m A
I want to know You more than anything
E B
Than anything else
E F#m C#m A
I want to love You more than anything
E/G# B
Than anything else

_to TURN:

VERSE 2:

A E B
So I let the truth come silence every lie
A
That I've held onto
E B
To change what I believed

More Than Anything

A E B
I will let the truth, be the only voice
A
That I listen to
C#m B
You're singing over me

_to CHORUS x2

BRIDGE 1:

A
And I just can't live without you
B C#m
Now that I have seen
A
The power of your kindness
B C#m
The way you care for me

BRIDGE 2:

A
No I just can't live without you
B C#m
Now that I have seen
A
A love that's like no other
B C#m
A love that sets me free
