CCLI - #7136871

VERSE 1:

To encounter You and let go of the things
That I thought I knew
To understand your heart

To encounter you, the one and only thing
That I want to do
Come show me who You are

CHORUS:

I want to know you more than anything
Than anything else
I want to love you more than anything
Than anything else

VERSE 2:

So I let the truth, come silence every lie
That I've held onto
To change what I believed

I will let the truth, be the only voice
That I listen to
You're singing over me

CHORUS:

I want to know you more than anything
Than anything else
I want to love you more than anything
Than anything else

BRIDGE 1:

And I just can't live without you
Now that I have seen
The power of your kindness
The way you care for me

BRIDGE 2:

No I just can't live without you
Now that I have seen
A love that's like no other
A love that sets me free

CHORUS:

I want to know you more than anything
Than anything else
I want to love you more than anything
Than anything else

BRIDGE 1:

And I just can't live without you
Now that I have seen
The power of your kindness
The way you care for me

BRIDGE 2:

No I just can't live without you
Now that I have seen
A love that's like no other
A love that sets me free

CHORUS:

I want to know you more than anything
Than anything else
I want to love you more than anything
Than anything else
