VERSE 1:

For everyone who is hurting, wait on the Lord
For everyone who is broken, wait on the Lord

PRE-CHORUS 1:

In your doubts, in your fears
God is near
In your sorrows, in your shame
Cry out His name

CHORUS:

Give us a new song of power and praise
A new song that speaks of the name
Of the One who is able
God you are able to save

VERSE 2:

Merciful and mighty, He is the Lord
Gracious and abiding, He is the Lord

PRE-CHORUS 2:

In our hope, in our joy
God is near
As we sing, as we pray
Cry out His name

CHORUS:

Give us a new song of power and praise
A new song that speaks of the name
Of the One who is able
God you are able to save

BRIDGE:

Out of the darkness, up from the grave
You have delivered, God You have saved
On solid ground we stand and proclaim
You gave us a song

CHORUS:

You gave us a new song of power and praise
A new song that speaks of the name
Of the One who is able
God you are able to save
