I am hurting, why is this happening to me
I am hurting
Can you hear me, will You hide Yourself from me
I am hurting

Help me to believe

CHORUS:

You are peace in the middle of the storm
You still speak when all my hope is gone
I believe in the valley low and long
You are with me and I am not alone
I am not alone

VERSE 1:

I am doubting, will You help my unbelief
I am doubting
I am pleading, will You show yourself to me
I am pleading

You are peace in the middle of the storm
You still speak when all my hope is gone
I believe in the valley low and long
You are with me and I am not alone
I am not alone

BRIDGE:

What can separate me from the love of Jesus
I had heard about You, but now I see You

You are peace in the middle of the storm
You still speak when all my hope is gone
