VERSE 1:

O the greatness of our God
O the greatness of our God
All creation stands in awe
Come and see the greatness of our God

VERSE 2:

O the power of our God
O the power of our God
Mountains move and oceans part
Come and see the power of our God

CHORUS:

Let the church sing alleluia
Praise his name the victory is won
Let the church sing alleluia
As we sing O let your kingdom come

VERSE 3:

O the mercy of our God
O the mercy of our God
The blood of Jesus at the cross
Come and see the mercy of our God

CHORUS:

Let the church sing alleluia
Praise his name the victory is won
Let the church sing alleluia
As we sing O let your kingdom come

BRIDGE 1:

As we sing, the gates of heaven open
Spirit move, come and have your way
We believe, that You can heal the broken
In the power that overcomes the grave

BRIDGE 2:

As we sing, Your light will break the darkness
At your name, You set the sinner free
We believe, that You are our salvation
Be lifted high, O Jesus as we sing
Be lifted high, O Jesus as we sing
